ADAIR COUNTY, MISSOURI

This cemetery brought to you by

Rita Jane and Bob

The church and cemetery are located in Walnut TWP in southwest Adair county about 15 miles south on hiway 11 to the junction of highway 14Q and CC (14Q goes NW and CC goes SE at this point). Take CC about 1/ mile south. Church is to the left of the road and cemetery to the right of the road. Rows are north to south beginning with Row 1 in the northwest corner of the cemetery. There are numerous unkonwn graves without markers and there is a fairly large area on the south that is still open for burials and burials are being made there (1979).
